Summer has Arrived!

Summer in Sackville cannot be beat! With the arrival of warm sunny weather, we get ourselves geared up for some amazing programs and events. As always, there's plenty to be excited about. The summer will be headlined by the return of the Sackville Street Chalk Art Festival, which will feature 12 artists and numerous musicians taking over Bridge Street on August 23 and 24, 2019.

Another new festival coming to Town will be the New Works Festival hosted by Live Bait Theatre July 5-7, 2019. This festival will feature presentations of works in different art forms, at different stages of development, by professionals and community members!

We're very excited that SappyFest will also be back for a 14th year from August 2-4, 2019 and will feature amazing musical acts from various genres.

These are just a few examples of another amazing #SackvilleSummer. For a full calendar of events, simply **click here.**

Meet your Summer By-Law Officers

The Town of Sackville is pleased to have hired another great group of students to enforce our by-laws for the next couple of months. Amy Cyr, Seth George and Adriel Cobo Marin started work in mid-June and we'd like to encourage all of our residents to take a moment to say hello as they do their work.

By-Laws Residents Should Know About

During the summer months, the Town hire by-law students. This allows us to have nearly 24/7 coverage during a busy time of the year while providing students with a great learning opportunity. As summer approaches, here are some of the more common by-laws you should keep in mind:

1. Be aware of 2-hour parking Monday - Saturday and please do not park in no parking zones, sidewalks or fire lanes; and do not park facing the opposite direction as traffic.
2. Loud noise is not permitted after 11pm.
3. Signage, like yard sale signs, are not permitted on telephone/power poles within town limits
4. Must have tags affixed to dog collar & collar must be on the dog at all times. Dogs must always be on a leash!
5. Owner must remove any feces left by the animal on a property other than the property of the owner.
6. Individuals are not permitted in waterfowl park one-half hour after sunset/before sunrise.
7. Individuals are not permitted to loiter/remain in parks between sunset and one hour before sunrise.

Over the past five summers over 250 racers have participated in the challenge, and walked away wet, muddy and extremely happy. The 2019 race will be held on Saturday, July 13th at Sackville's Beech Hill Park; a beautiful nature park located off Highway 2 via Exit 500. Race sign-in will start at 8:30 am, but pre-registration and payment is required and can be made by **clicking here.**

The main race is a little over 4km long and consists of more than a dozen obstacles nicely spread out over the course. The obstacles will be challenging enough to ensure individuals with average fitness levels could participate.

Adult racers can participate for only $25, students for only $10! Racers will receive some goodies and be entered to win some great draw prizes. Speaking of prizes, several generous sponsors have donated draw prizes for this year's event, with the Bicycle Specialist in Amherst, NS contributing to two $300 grand prizes!

Returning this year is the BHP Mini-Challenge for children ages 4-11. The Mini-Challenge is free for kids who has a caregiver participating in the main race and only $5 for all others! The mini-challenge only takes a couple of minutes and all the kids participating will receive a sweet prize! Make sure you pre-register your children at www.sackville.com as well!

So, sign up before July 11th and come prepared on the 13th to run, climb, dodge and get dirty; and let's see who is up for the challenge!
