Canada Day Celebrations Cancelled for 2021

The Town of Sackville is located within the territory of Mi'kma'ki, the unceded, ancestral territory of the Mi'kmaq people.

In light of recent findings at residential schools in Western Canada, and in ongoing consultation with our friends and neighbours in Fort Folly First Nation, the Town of Sackville has decided to cancel all Canada Day Activities. Although it was our original intent, in consultation with Fort Folly, to offer some activities, it was never the Town's intent to celebrate given the former Kamloops Residential School discovery. In the last two days, things have changed with the announcement in Saskatchewan, and we have determined that on July 1, 2021, it would be more appropriate and important for our Town residents to pause, educate ourselves and reflect on darker times in the history of our country. Over the years, we have made progress, but even today, Indigenous peoples face systemic injustices.

Residents interested in learning more about Truth and Reconciliation are encouraged to consult the Truth and Reconciliation Calls to Action: **http://trc.ca**.

Support is available for anyone affected by their experience at residential schools, and those who are triggered by the latest reports.

A national Indian Residential School Crisis Line has been set up to provide support for survivors and those affected. People can access emotional and crisis referral services by calling the 24-hour national crisis line: 1-866-925-4419. A Saskatchewan-based line is now available by calling 306-522-7494.

Sackville's COVID-19 Testing Centre

Horizon Health is operating temporary COVID-19 Assessment Centre in Sackville at the Tantramar Veteran's Memorial Civic Centre, 182 Main St. This site began testing patients for COVID-19 back in January 2021.

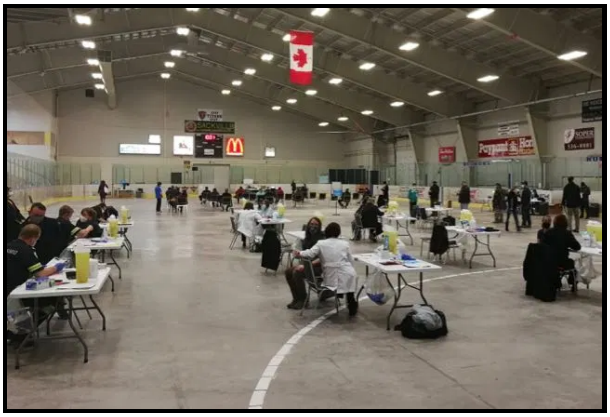

The hours of operation are based on need, and the site will remain in place as long as there is sufficient demand for this service.

Like all other COVID-19 Assessment Centres in New Brunswick, gettign tested at the Sackville site for a COVID-19 test requires an appointment. To request an appointment call Tele-Care 811 or visit **www.gnb.ca/coronavirus** and select 'Sackville' in the drop-down menu when choosing a location preference.

Sackville's COVID-19 Vaccination Clinic

The Town of Sackville continues to partner with Vitalité Health to offer a vaccination clinic at the Tantramar Veterans' Memorial Civic Centre.

We are excited to know that Sackville was made a priority to host a vaccination clinic, and by hosting this clinic we are able to make Sackville an even safer place to live in that much faster. We are happy to accommodate Vitalité in this important step towards eradicating the COVID-19 virus.

As of this writing, the vaccination clinic is available to individuals ages 12 and up looking for first or second doses. Two clinics are scheduled in July- July 14th and July 28th. To book a COVID-19 vaccination appointment or to find out if you are currently eligible to receive a vaccine, please visit the Government of New Brunswick **website**.

Summer at the Sackville Public Library

The Sackville Public Library has started their Summer Reading Club for 2021. Children of any age can register at the Library during open hours. There is even a group for those not yet reading on their own. Children set their own reading goal and receive a logbook to keep track of their summertime reading. Altogether the goal is to read a combined 1500 books by the end of the summer.

Summer Programs have started at the Sackville Public Library. Scheduled weekly programs include Game Times, Craft Times, Special Events and the Summer Reading Club Theme Day. Each program has a maximum number of participants, so registration is required for each program as well as registration in the Summer Reading Club. On Saturday mornings during the Farmers Market the Library will also be holding a Family Drop-In Program in the Library basement, with games, crafts, activities and a reading corner. This program does not require preregistration, but space is limited and contact information will be collected.

The Sackville Public Library is excited to continue to offer preschool story times throughout the summer. They will be offering half-hour story times for those aged 3-6, that can be booked by the public. Booking times vary, so please contact the library for more details if interested.

For more information on the Summer Reading Club and any of their programs, drop by the Library for a copy of their 'Fantastic Happenings' handout and their weekly SRC Newsletter outlining each week's scheduled programs and registration details. Meet our By-Law Staff

Each summer, the Town hires a team of students to help us enforce our by-laws and keep an eye on our public spaces and parks during the hotter months of the year. This year we are please to bring on three students. Here they are in order: Kelsy White (Upper Coverdale, NB) , Gabrielle Simmonds (Springhill, NS), Eian Cadman (Dorchester, NB), and our full-time officer is Cory Springer. All three students attend the Policing & Corrections Foundation program at Oulton College in Moncton, NB.

Probably the most common by-laws the students will be enforcing this summer will be:

- By-Law #236: A BY-LAW TO REGULATE THE USE OF PUBLIC PARKS (Making sure people are respecting park equipment, not in parks after dark, etc.)
- By-Law #246: NOISE BY-LAW
- By-Law #252: A BY-LAW TO REGULATE THE COLLECTION AND DISPOSAL OF RESIDENTIAL WASTE IN THE TOWN OF SACKVILLE (Making sure the right garbage is put out on the correct days/weeks, making sure large objects are not being left out outside of special pickup days)
- By-Law #256: ANIMAL CONTROL BY-LAW (Making sure dogs are leashed/not running free)
- By-Law #262: A BY-LAW TO REGULATE STREET TRAFFIC (Monitoring 2 hour parking, illegal parking, etc.)
- By-Law #275: FIRE PREVENTION BY-LAW (Making sure people are not burning during any provincial burn bans, burning objects in unapproved appliances, etc.)

Adult Pick-Up Slo-Pitch

Drop by the Lorne Street Baseball Field every Thursday night from 7-9pm to play a little slo-pitch. Bring your glove and enjoy this **free** opportunity!

Questions? Just drop by the field and someone will help you out.

Volunteer Recognition Night

On the evening of June 29, 2021, the Town was pleased to honour three amazing volunteers at a small banquet at Town Hall to recognize their contributions to our community. Here is a brief summary of how each of the recipients have contributed to Sackville:

Dr. Harold Popma (25+ Years of Service)
Harold came to Sackville as a physician in the late 1970's and started a family practice at the Sackville Hospital. Before long, he was also providing medical services at the Drew Nursing Home. It was there that he became not only a trusted doctor, but a friend to all for the next 30-some years. In addition to his professional duties, he has volunteered countless hours of personal engagement at the Drew, attending Staff Recognition events, and always participating in dress-up days in costumes that suited whatever might be the celebration.

Harold has been a pillar in the field of Geriatric Care, committed and passionate about the well-being of Seniors, whether they are in care or living in the community. For several years Harold was co-chair of Sackville's Walk for Alzheimer's, an annual fundraising event for the Alzheimer Society of New Brunswick. He has also been a key supporter, promoter, and speaker for the Memory Café, and has served on the Age-Friendly Committee. Harold has volunteered as a guest speaker for the lunch and learn series under the "Nursing Homes without Walls" project and most recently became an on-air radio contributor to the discussion of community wellness.

Harold has been an Instructor for the Tantramar Senior's College for several years, giving courses on a wide variety of subjects including badminton, ping-pong, health/medicine, rhodie-growing and general gardening. Most recently, he helped initiate a learn-to-play and drop-in for table tennis.

Gardening is one of Harold's greatest passions — one that he happily shares with one and all. He generously offers tours of his extensive home garden, sharing advice and an endless supply of cuttings and seedlings from plants he has nurtured. His love for gardening even spills over to the Atrium at the Sackville Memorial Hospital where for many years he has cared for the wonderful array of plants there.

In particular, he has played an influential role in promoting the growing of Rhododendrons in New Brunswick ever since the time, some 30 years ago, that he, along with Paul Bogaard and Sandy Burnett, established an unofficial branch of the Atlantic Rhododendron Horticultural Society (ARHS) in Sackville, New Brunswick.

Beyond that, his horticultural contribution to our town continues to this day. Since 2010 Harold has played an ongoing role in the design, creation, and maintenance of the public garden in Sackville's Memorial Park, personally donating and nurturing many of the Rhododendrons, Azaleas and Magnolias that beautify that corner of our community every spring, and bring pleasure to all who pass by.

Volunteer Recognition Night Continued

Alexa Estabrooks (Titan Achievement Award)

Alexa has volunteered within the Sackville community for many years. She began volunteering way back when she was in elementary school with the Breakfast Clubs of Canada program. Through grades 2,3 and 4 she was into the school every Friday morning at 6 AM to prepare breakfast for any kid who would like to stop by and have a bite.

Through her middle school years, she was active as a volunteer coach with Sackville Minor Hockey. Alexa logged many hours on the ice with the kids at practice.... many of them 6:30 AM weekdays.... or on the bench during games. She was a great role model to many young female players. During this time period, she also volunteered her time to participate in the annual Salem Summer Send-off days as a representative of Sackville Minor Hockey, setting up in the corner of the parking lot with sticks and a net, complete with homemade posters that said, “Girls Play Hockey Too”.

In Alexa’s high school years, she remained a volunteer coach within Sackville Minor Hockey and was also involved in charitable fundraisers such as the Dragon Boat for sick kids’ initiative.

Alexa’s contributions as a volunteer in the community of Sackville have had a positive lifelong impact on the kids she has worked with, she is very deserving of this volunteer recognition.

Justin Smith (Titan Achievement Award)

Throughout Justin’s 4 years at Tantramar he has given a great deal of his personal time to volunteer for many school and community activities. While in school, Justin was a member of our student council for 3 years. This year he is a contributing member of our grad council.

Outside of school, Justin has been a volunteer coach with our Sackville Minor Football Association as well as with Team New Brunswick’s U16 program.

As we all know, the past 15 months have been difficult for Sackville and our surrounding communities. The pandemic has caused limited interactions amongst families, friend groups, students and within our community. This past September, Justin took it upon himself to stream live sporting events in which our Titan teams were involved.

As a result of Justin’s relentless effort, our community was able to reconnect and watch their children, grandchildren, and close family friends participate and proudly represent their local towns and villages.
Justin has learned to volunteer and give back at a very young age. As a result, he has made a difference in the lives of many people. With the involvement and volunteer work of young adults such as Justin the future of Sackville and our surrounding communities is very bright!
