A Busy Summer is Coming to Sackville

#SummerInSackville is always a great way to spend those sunny days, and 2022 will be no different. From a huge offering of camps and recreational programming for all ages, to a list of summer events and festivals that seems to grow annually, to the amazing parks and beaches, there's never a reason to be bored in Sackville.

New this year, after several years of public requests, we've partnered with Mount Allison Experiential Learning to offer a kayak, canoe and paddleboard rental program at Lillas Fawcett Park. Maritime Paddle is even offering some free programming for Town residents. Check them out on **Facebook**.

After a couple of summers away, we have plenty of new and returning festivals coming to town. The **Walker Road Trail Run** is a new event on July 16th. The **Sackville Kids Fest** will take place July 23rd from 3-6:00pm at Bill Johnstone Memorial Park. This is a first time event in Sackville and will include live music, activities, llamas, vendors and more!

SappyFest will be back July 29-31st as well after two years of modified programming. Just two weeks later, August 12-15th we will be offering a variety of programs exploring 250 years since the arrival of the Yorkshire Settlers to Sackville and how they have impacted the area. Details will be available soon.

Levee on the Lake is back for a third summer and will take place at a variety of locations in Middle Sackville from August 18-21.

And finally, the **Sackville Street Chalk Art Festival** will be back on Bridge Street August 26 and 27th.

So as you can see, there's plenty to do and you can find out about it all in our **Summer Activities Brochure**.

Recreation Programs

A full list of summer programming opportunities can be found at **www.sackville.com/programs**.

Here are some of our current programs:

Adult Hiking
Once a month for the duration of the summer, come out to rediscover nature, get outside and enjoy the fresh air. This summer, the locations have been decided in advance and are listed as follows:
July 19th from 6:00-7:00pm at the Westcock Dykes
August 16th from 6:00-7:00pm at Haut-du-Ruisseau Nature Park
Registration: **www.sackville.com/programs**

For full details or to register for any of the above programs, please visit www.sackville.com/programs.

For other community recreational opportunities, please visit **www.sackville.com/calendar**.

PEI Bus Trip: Tell Tale Harbour

Once again, we are heading to Prince Edward Island for a day trip this summer! Jump on the bus to the Confederation Centre in Charlottetown and enjoy the Tell Tale Harbour musical comedy show, that shares the story of a fishing village struggling to survive. We will get there in advance for lunch and some time to shop along the harbour. You won't want to miss this one! Book your seat early as there's only a few seats left!

Where: Leaving from the Tantramar Veterans Memorial Civic Centre at 182 Main Street
When: July 21st from 8:30am-approximately 6:00pm (show time 2:00pm)
Registration: **www.sackville.com/programs** before July 15th
Cost: $85

Water Testing at Silver Lake

The Town of Sackville has a beautiful fresh water public beach at Lillas Fawcett Park on Silver Lake. The Town takes the safety of our residents and visitors very seriously, and as a result we hire four fulltime lifeguards over the summer and the water is tested weekly to ensure that it meets the Canadian Recreational Water Quality Guidelines for E. coli, which are under the direction of Health Canada.

The Town takes two weekly samples at the park; one at hip height (approximately 3 feet) and one at toddler height (approximately 2 feet). The samples are obtained by our trained staff and are sent to an accredited laboratory in Moncton for analysis. The National standard for safe swimming waters requires E.coli levels to not surpass 400 E. Coli/100ml of water tested.

We will be listing our test results throughout the summer months to ensure our residents and visitors can feel secure in knowing that our water at Silver Lake is clean and safe.

You can find test results on our **website** and if ever there is an abnormality in the test, we'll let our residents and visitors know via our social media and various other platforms.

Horizon Referral Reward Program

Horizon's new recruitment promotion! All New Brunswickers are now able to recruit nurses and doctors to work for Horizon. There is a $1000 award for a successful recruit ($2000 for critical care positions) and there is currently no limit to the number of folks you can recruit.

Please **click here** for further details!

2022 Fall Clean-up

Our Fall Clean-up Week provides residents with the opportunity to clean up their properties and place their items at curbside the day before their regular garbage pickup to have waste materials hauled away.

This year's clean-up dates will be September 26-30, 2022.

Clean-up Information
Items that **WILL** be picked up in addition to normal household garbage include: bagged leaves, furniture, appliances, tree limbs no longer than 4 feet, neatly tied in bundles (not entire trees) and construction debris, up to 50 kg (placed in a separate pile).

Items that **WILL NOT** be picked up: cars and car parts, trees, brush, or Household Hazardous Wastes, or items from apartments greater than 4 units (currently not receiving municipal pick-up).
Please note that black garbage bags and items stacked on a utility trailer will not be accepted.
For more information, please call Miller Waste at 855-9783.

In addition to Clean-up Weeks, residents can bring smaller materials to the Eco360 Eco Depot days from noon until 8:00 pm at the Tantramar Veterans' Memorial Civic Centre on June 1 & 2, August 31 & September 1, and November 30 & December 1, 2022.

Connecting Farmers and Consumers: Locally Grown Food Options

In the interest in supporting local food, each month we will provide a list of local farmers and the goods and services they provide. Below is a list of farmers and food producers waiting to serve you.

Open Sky Co-operative (12 Folkins Drive)
Open Sky will again be offering CSA shares beginning July 13 through to Thanksgiving. Open Sky works with folks, ages 18 and over, who may experience barriers to employment due to social disabilities or mental health issues, and our CSA allows our participants to practice valuable workplace skills.

The cost for 2022 will be $215 for 13 weeks, which can be paid upfront, or in two installments in July and August. Payment can be made by etransfer to info@openskyco-op.ca, with "2022 CSA" in the message line. Please note: we do have some additional payment options if you find the cost prohibitive; please get in touch with us at farmer@openskyco-op.ca or call (506) 536-4565 for other possible ideas, or more information.

Wysmykal Farm
Wysmykal Farm will be selling organic vegetables at the Sackville Farmers Market on Saturday mornings. They have lots of greens available and will soon have tomatoes.

Build a Miniature Model of the Waterfowl Park at Sunrise

Working with Waterfowl Park Artist-in-Residence Angela Thibodeau, students ages 9-13 will paint a small sunrise, build a tiny boardwalk and add miniature trees, ducks, and other items to create a 3D waterfowl park diorama they can take home.

To register for this free workshop, please visit **www.sackville.com/programs**.

Meet the 2022 Sackville Waterfowl Park Artist in Residence, Angela Thibodeau

The Town of Sackville is pleased to announce that Angela Thibodeau has been selected as the 2022 Waterfowl Park Artist in Residence. She will be present at the Sackville Visitor Information Centre at 34 Mallard Dr Monday, Wednesday and Friday from 10 am to 2 pm during the month of June and the last week of July.

Angela's residency will explore the waterfowl park during sunrise and sunset. "Especially at sunrise, birds and wildlife are most active in the park, yet few people are up early enough to experience it", Angela said. "My goal is to show the park as both a vibrant ecosystem, and also a site where humans find peace and calmness."

At dawn and dusk, Angela will make plein air sketches and take reference photos of the sky, trees, raccoons, birds, grasses, and other features. During the day, she will alternate between working on watercolour paintings at the VIC and oil paintings or printmaking in her home studio. By August, she will have a collection of at least 12-15 finished paintings and prints. During the month of June and the last week of July, Angela will be present at specific times in the Visitor Information Centre working on her watercolour paintings. Visitors are encouraged to watch her work and ask questions. She will also give away handmade artist trading cards as souvenirs for both tourists and local folk.

In addition, on Saturday August 6th, Angela will host a "Build a miniature model of the Waterfowl Park at sunrise" workshop for ages 9-13. Each student will paint a small sunrise, build a tiny boardwalk and add miniature trees, ducks, and other items to create a 3D waterfowl park diorama they can take home. People can register for this free workshop at www.sackville.com/programs. There will also be an Artist-Talk on Friday, August 12 at 7 pm. The 20-minute presentation will be followed by a reception and viewing of sketches and finished work at the Visitor Information Centre, 34 Mallard Dr.

Angela Thibodeau is known locally for her tranquil, Tantramar-inspired landscape paintings. She is an annual participant in the Art Across the Marsh Studio Tour, The Sweetest Little Thing art auction, The Sackville Street Chalk Art Festival and a long-time member of Struts Gallery. Angela graduated from Mount Allison University with a Bachelor of Fine Arts degree in 2002. She is originally from Halifax, Nova Scotia and of Acadian heritage. She lives with her husband and daughter in Sackville, New Brunswick.

Chimney Swifts and How to Help Them

Look up in June and July and you may hear twittering calls overhead or see small, dark birds flying high above you. Chimney Swifts are a remarkable species that nest mostly in chimneys, including here in Sackville, but are declining and a Species at Risk in Canada. They help us by eating up to 1000 insects a day! Learn more in this short video: Revealing the life of our upstairs neighbours: **Chimney Swifts - YouTube**

Birds Canada, a national bird conservation non-profit with an office in Sackville, monitors Chimney Swift roosting and nesting locations with volunteer help (Maritimes SwiftWatch). If you have seen Chimney Swifts entering a chimney and would like to share your sighting or have someone come confirm it, please email marswifts@birdscanada.org.

If you have swifts in your chimney, you can take actions to keep them safe: don't clean your chimney between May and September, avoid using your heat during this time, and avoid chimney alterations that would block swifts. Learn more here or reach out with questions.
