Sackville Fall Fair Thanks You

After a pandemic and a hurricane, the Sackville Fall Fair was finally able to run in its entirety for the first time since 2019, from September 20-24, 2023! We were very pleased to see how busy Sackville was throughout the weekend. From the James Mullinger Show on September 20th, through to the UAHoneyCo Pet Show on the 24th, all of the vents were very well attended.

Tantramar would like to thank Mount Allison University for the use of their properties and their coordination between Homecoming and Fall Fair. We would also like to thank the Sackville Rotary Club and the Main Street Baptist Church for their hard work at the Lansdowne Soccer Field and blocked streets during the parade.

There is a long list of others we can thank, from all of the parade participants and vendors, the Church by the Lake for the Sandcastle Making Contest and the Anything that Floats Race, the Drew Nursing Home for allowing us access to start the parade, and the list goes on!

Finally, we would like to thank our residents and visitors who took part in Fall Fair and were ready to get outside and celebrate with us once again. You're the reason we keep these events coming, and to all of the volunteers who help make them happen, we sincerely appreciate it.

Citizen of the Year

The 2023 Citizen of the Year recipient has worked for the Town of Sackville, and now Tantramar, for over 30 years. She started by working with the Special Populations Program and earned her way to the Coordinator of Programs and Special Events, a position she still holds to this day.

Over the past 10 years, the municipality has worked hard to expand our program offerings and to increase the number of events we host each year. As times change and demands increase, our department has shifted priorities while ensuring traditional events, like Fall Fair, have continued. Those demands have been exasperated through the amalgamation process, increasing our responsibilities throughout the new municipality. Throughout all of those demands and changes, there has been a solid foundation who has adapted and continued to provide quality services, and that person is Deanna Cadman.

Anyone that knows her can tell you that Deanna is far more than a Town Employee. She works harder than anyone, loses sleep regularly over upcoming events, and is beyond passionate about putting on an amazing program or event for our community. Nothing makes her happier than seeing a smile on someone's face and she's dedicated her life, career and volunteer activities to do just that.

Over and above her responsibilities with the municipality, Deanna can regularly be found on social media helping those in need. She is constantly finding clothing, household items, and much more for new Canadians, those who have fallen to hard times, and anyone who asks. She can be found looking for items on buy and sell Facebook pages, simply to give those items to an individual who comes to her mind that she knows would enjoy it.

Deanna is also a wife, mother, grandmother and great grandmother. She jumps at the opportunity to cook her famous biscuits for family, or at the cottage. She selflessly cooks for friends and family and has even been known to clean a house just to help someone out.

Deanna's daughter, Denise, has said "I spent my child hood growing up watching my mom work hard, from being a waitress, cleaning homes and anything else she could do to help provide for me. 35 years ago, was a dream come true for her, I still remember the day she was offered the position working with the special populations program. She was so excited but scared she wouldn't be good enough."

Boy, did she prove herself wrong! Deanna earned her GED while raising Denise, working for the Town and volunteering in the community. Denise and her 3 boys have said how proud they are to be able to call Deanna their mother or Nan. That simple identification always leads to a conversation that lasts a long time, as everyone has a story about Deanna and how she has impacted their lives.

A Poem from our Poet Laureate

Spell Against Future Storms

We have been planting trees
where a lawn used to be,
where someone with a ride-on lawn-mower
used to be paid to come by and mow it.
Along the highway, you can still see
where the hurricane last fall
snapped all the trees like matches
or bones and who knows how long
before another record storm moves
in to mow these new trees down too.
But still, we plant them.

Remember how we stayed up all night
with the cat and the radio,
playing board games at the kitchen table
like some sort of exorcism or vigil
to keep out the wind and the rain
as it battered the windows.
In the morning, we woke in a heap
on the living room floor
to find we had been very lucky.
In Newfoundland, a whole house
had been swept into the sea,
which seemed like something
we couldn't even conceive of, until
wildfires this spring took a hundred and fifty.

And still, we settle in.
We learn how to put up bookshelves,
hang our postcards on the fridge,
build raised beds for veggies,
make plans to paint the kitchen cabinets,
we read up on types of primers and
flip through sunny paint chips,

as if we will be allowed to stay.

31st Moonlight Madness Buisiness Invitation

Each year, Moonlight Madness helps bring an influx of patrons to our Sackville Businesses. Residents from Sackville and the surrounding areas look forward to the deals, activities and unique atmosphere that comes with the event. In 2023, the Municipality of Tantramar is pleased to work with BIA Sackville to help with the organization and promotion of Moonlight Madness.

Like past years, Moonlight Madness will take place over two Fridays- November 17 and December 8, 2023. The first weekend will include the Bordertown Festival and downtown Tree Lighting Ceremony. The second weekend will include activities at Bill Johnstone Park to help attract families to the downtown.

As always, Moonlight Madness cannot be successful without the participants of our Sackville businesses. We welcome the involvement of all Sackville businesses, regardless of the service you provide or where your business is located. Here are a few ways you can participate:

- Offer a food special (e.g. Moonlight Madness Burger Platter)
- Showcase your sales, and maybe offer an additional special/sale
- Host live music or other performance events
- Host a children's book reading
- Include children's activities at your business
- Sidewalk Sale
- Trivia night

There are plenty of ways you can take part, and we want to hear from you! The Town will be compiling a separate flyer for each day with all the Moonlight Madness activities taking place on that date. To be included in the flyer, please submit your special/activity to Alexa Estabrooks before Tuesday, October 31, 2023 AND Monday, November 23, 2023 at getactive@sackville.com.

Thank you for your consideration and we look forward to hearing from you. If you have any questions, please contact 1-506-364-4951.

CONCERTS

L'Harmonie des Saisons
Bach: Concertos
Friday, September 29, 2023, 7:30 p.m.
Brunton Auditorium, Sackville NB
The multifaceted genre of the concerto was developed during the Baroque period in Italy and rapidly took hold throughout Europe as a major vehicle for accompanied solo performance. Bach composed many solo concerti for the harpsichord that have become staples of the performance repertoire; moreover, he composed or adapted concerti for other instruments following the model established within his solo works. This programme features this stunning and seldom-heard repertoire performed by Juno award-winning artists.

Constantinople
Breathings
Saturday, September 30, 2023, 7:30 p.m.
Brunton Auditorium, Sackville NB
Ensemble Constantinople (Kiya Tabassian, director) will join with Mi'kmaq singer Darlene Gijuminag and Tuvan throat singer (khöömei), Mongun-ool Ondar to present a programme of early Indigenous music appropriate to reflection on the National Day of Truth and Reconciliation. One of the foremost representatives of Tuvan throat singing (khöömei), Mongun-ool Ondar will use his singular vocal technique to evoke the souls of the steppes and nomadic peoples. Heir to a living indigenous tradition that finds its source in the sounds of nature, Darlene Gijuminag will perform Mi'kmaq vocalizations and prayers. Their voices will be joined by the Persian melismatic stylings and songs of Kiya Tabassian, completing this meeting between three bearers of ancestral traditions, who invite the audience to take part in their dialogue about past, present, and future.

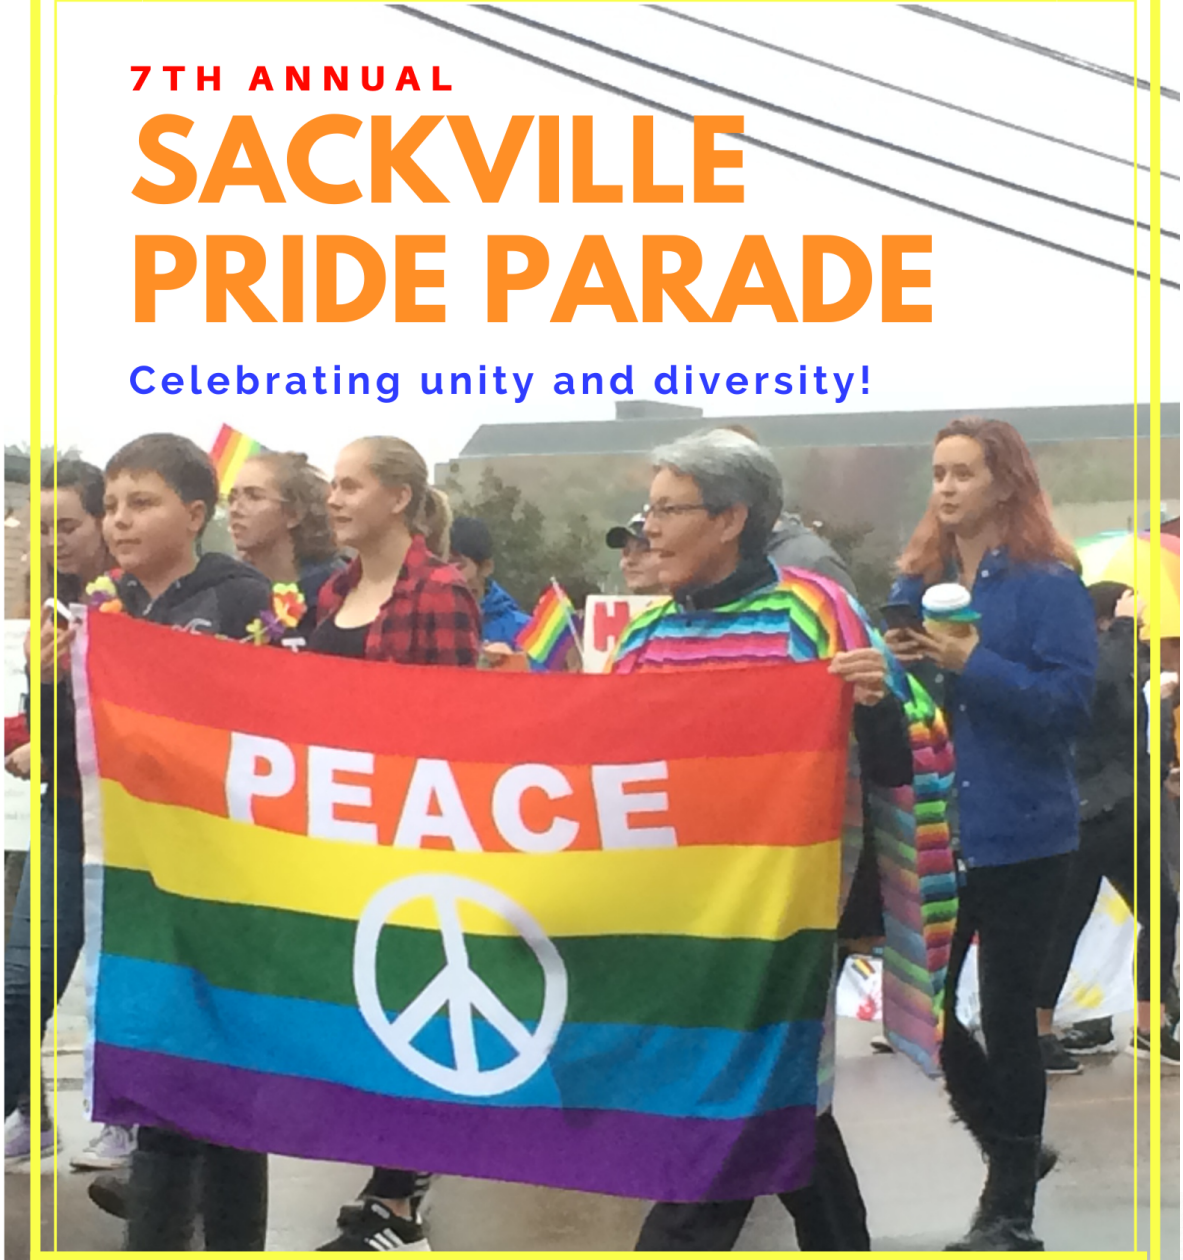

L'Harmonie des Saisons

Italy was a source of musical influence and new styles inspired by notational developments, particularly those that emerged at the turn of the 17th century during the early Baroque period.
