Rotary Club of Sackville

The Rotary Club of Sackville was established in 1931 and, ever since, it has been putting into practice the Rotary motto of “Service Above Self”. In addition to

providing volunteer service in the community, the club raises funds to support community organizations, projects, and initiatives.

The first Rotary project was the creation of a “Community Playground” in a marshy area in 1932 which much later became the Bill Johnstone Park. Another major project, started in the 70’s, culminated in the opening of the Lillas Fawcett Park at Silver Lake in 1981. The club has partnered with the Town on other projects in more recent years, including the rebuilding of the Booster Pump building (2017), the construction of a new lookout tower in the Waterfowl Park (2017), Natural Playground Equipment for Lillas Fawcett Park (2018), the construction of the Rotary Bridge (2019) which joined the Lund property to the Waterfowl Park, and the installation of a hydration station (2021) in Bill Johnstone Park.

Among the many community projects and organizations that have benefited from Rotary support are: the Sackville Memorial Hospital, the Tantramar Heritage Trust, EOS Eco-Energy’s Food Forest, Nursing Homes Without Walls, Food For Thought, TRHS Pantry, Dictionaries for elementary school students, Autumn House, Open Sky, Sackville Minor Soccer, TRHS Scholarships, CHMA, Tantramar Task Force, Sackville Farmers’ Market, Sackville Citizens’ Band, Community Forest International, Sackville Curling Club, Port Elgin School, Tantramar Seniors’ College, Tantramar Outdoor Club, SappyFest Youth Music Camp, and Children’s Books for the Food Bank.

Since its inception in 2015, the primary source of Rotary’s fund-raising has been the Rotary Gold Mine. In the intervening 9+ years, it has raised over $940,000, with half of that having gone to the winners and the other half to fund these community projects and initiatives.

If you are interested in finding out more about (or joining) Rotary, email: RotaryClubOfSackville@gmail.com.

If you are interested in supporting Rotary’s efforts through the Gold Mine, check out: https://SackvilleRotaryGoldMine.ca/.

Poem from our Poet Laureate: Laura Katherine Watson

Small Annihilation of Small Offerings

I forget sometimes
to take notice
of the way the wildflowers
spill through the chainlink fence
and pour themselves at my feet,
like I'm some sort of king
walking downtown for my groceries—

purple vetch and blue chicory,
queen anne's lace and ox-eye daisies.
Of course, I am not a king,
not better than anyone,
and the wildflowers don't lay
themselves down for me.
What I am is very, very lucky
to be a witness to this
before, sooner or later,
somebody
who is just doing their job,
just covering the costs
of their own mundane needs,
locates the whipper snipper.
So walk slowly.

Day Surgery Program at Sackville Memorial Hospital Campaign

Campaign for **Sophisticated Surgery Gear** to boost Day Surgery Program at SMH

CAMPAIGN GOAL $225,000

When you or your loved ones need surgery, complicated or not, you want peace of mind knowing the surgical team at Horizon's Sackville Memorial Hospital (SMH) has the best tools for the job.

The SMH Foundation has launched the **Supporting Every Step Expanding Surgical Care** Campaign with an ambitious **$225,000** goal, to ensure our surgical team has advanced technology to offer optimal and timely care for surgical patients. This is in addition to Horizon Health Network's $2-million investment in the current Operating Room (OR).

For over 30 years, the SMH has been renowned for its exceptional Day Surgery Program, offering over 240 types of Orthopedic, Plastic, Urology, Vascular, Obstetrics/ Gynecology, ENT (Ear Nose Throat), and General surgeries. In fact, more than 2,000 surgical procedures were performed at our facility in a 12-month period; a significant increase over the last three years.

And, it's about to get better with your help.

Ramping up the program at SMH will help alleviate the backlog of less complex day surgeries, allowing quicker access to more complex ones at The Moncton Hospital—a win-win for the broader health care system.

The purchase of an array of modern surgical gear has many benefits, including:

- Reduction in surgical wait times;
- Increased access to acute care operating time at The Moncton Hospital for larger, more acute, surgical cases;
- Availability of different types of surgeries, i.e., hip arthroscopy;
- Ensured availability of necessary equipment onsite at SMH for surgical procedures, rather than shared with The Moncton Hospital.

SMH is working to reduce wait times for New Brunswickers in need of orthopedic and ENT surgeries. This equipment will allow for an increase in the number of patients who could receive surgical care in Sackville.

Supporting Every Step

Expanding Surgical Care

CAMPAIGN 2024

Funds will purchase Hip, Knee, Shoulder Arthroscopy (orthopedic) instruments, Warming Cabinet, Surgical Suction System, ENT devices, and iSimulate (a cutting-edge tool for staff which ensures they are well-prepared for a variety of medical scenarios).

Campaign Chair Carolle de Ste. Croix says your support enables us to equip our local hospital with advanced surgical equipment, transforming it into an important surgical access site. **"Together we're nurturing hope, facilitating recovery, and supporting every step of a patient's journey back to wellness."**

If you would like to donate, you can contact the Foundation at 364-4205, drop by the hospital, or donate securely on-line at **smhf.ca/donate**.

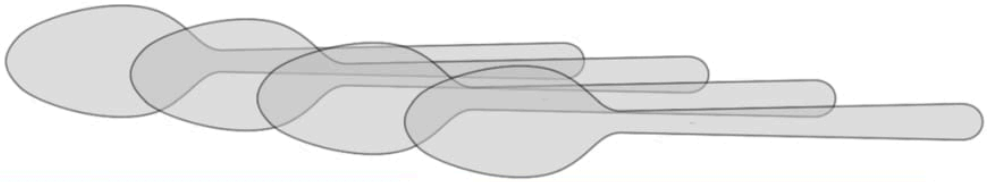

If the campaign goal is exceeded, any additional funds will be used on the Hospital's other priority needs.

smhf.ca All money raised is used locally to enhance patient care at the Sackville Memorial Hospital.

Salem Breakfast Program

SPOONS FOR SALEM

BREAKFAST PROGRAM

The **Salem Breakfast Program** operates every school day and offers a selection of healthy foods to **all Salem students** as they get to school and prepare for the school day.

In an effort to cut down on waste and lower our costs, we want to **switch from using plastic disposable spoons** to **reusable metal spoons**, so we're asking for **spoon donations** to build up our supply.

If you have **1, 2 or more metal spoons you'd like to donate**, please send them with your student to school – every classroom will have a collection bin. Or contact the Breakfast Program coordinator listed below to arrange pick up.

The Salem Breakfast Program is able to operate thanks to

- ✓ **food donations from the Food Depot Alimentaire**
- ✓ **financial donations through the Breakfast Club of Canada**

and local supporters,

- ✓ **and time and energy donations from our dedicated group of volunteers.**

If you'd like to volunteer with this program, please contact the coordinator listed below. Volunteering in the school involves a 7:30-8:30 am time commitment one day a week, but there are ways to help outside these hours if you'd like to be a part of this program.
