Fall Fair 2024

What an amazing Fall Fair this year! We want to extend a huge thank you to all the organizers, volunteers, and every single person who showed up to make this year's Fall Fair one for the books! Your hard work, energy, and participation truly made our community shine.

We are beyond grateful for the effort and enthusiasm that went into making this year's Fall Fair a tremendous success. We couldn't have done it without each and every one of you!

Thank You to Fort Folly for an Amazing Powwow!

A huge thank you to Fort Folly for hosting such an incredible Powwow on September 28th in Dorchester. It was truly a memorable experience, filled with rich culture, vibrant performances, and a deep sense of community. We'd like to extend our gratitude to all the organizers for their hard work in putting together such a tremendous event!

Thank you to Fort Folly for sharing your culture with us!

Rail Safety Week

The Municipality of Tantramar proudly participated in Rail Safety Week, held from September 23-29, 2024. This week was dedicated to raising awareness about the importance of staying safe around railways and promoting safe behaviors to prevent accidents.

Let's continue to practice caution and spread the message of rail safety year-round!

For more tips and information on rail safety, visit Operation Lifesaver Canada.

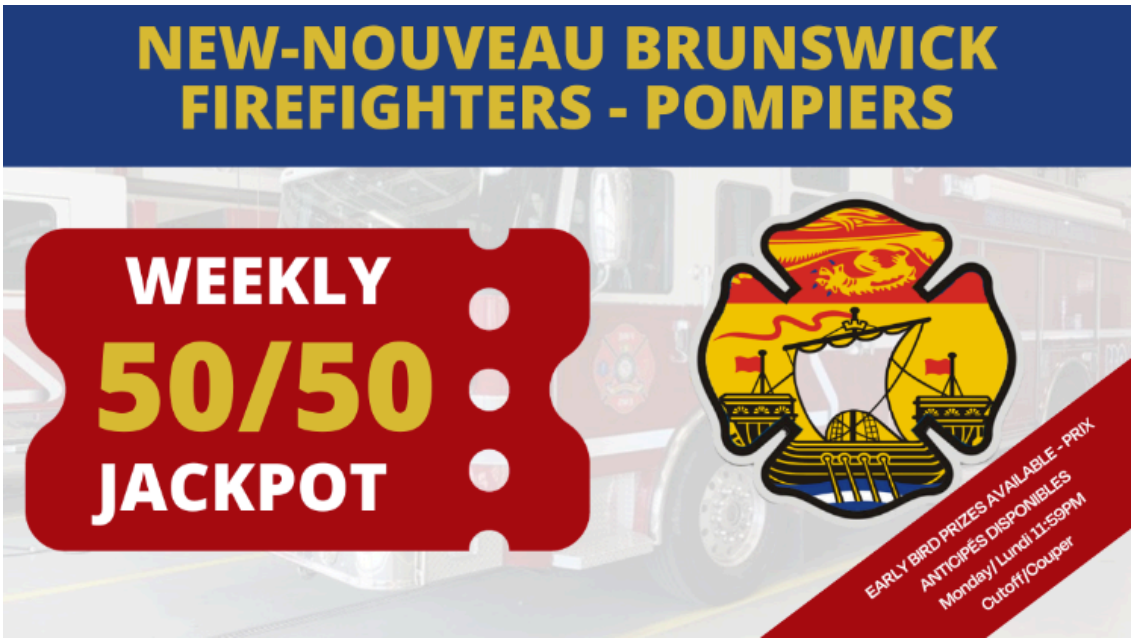

Tantramar Invests in Future Healthcare Professionals

The Municipality of Tantramar is taking important steps to address the growing need for healthcare professionals by awarding the **Tantramar Medical Education Scholarship**. This scholarship, supported by the municipality, provides financial assistance to future doctors and nurse practitioners who commit to practicing in Tantramar after graduation. This year, we are proud to award this scholarship to **Syed Ahmed.**

Additionally, Syed Ahmed is also the recipient of the **Future Physicians of Tantramar Medical Education Scholarship**, which was initiated by Memramcook-Tantramar MLA Megan Mitton, who contributes $2,500 annually to support this vital initiative. Both scholarships are administered through the **New Brunswick Medical Education Foundation**, which helps ensure that future healthcare providers return to serve specific communities.

These scholarships are a crucial part of our ongoing efforts to improve healthcare access for Tantramar residents. Syed Ahmed will be recognized at the **2024 Scholarship Gala on October 15, 2024**, in Saint John, celebrating his commitment to serving our wonderful Municipality.

Fall Trailblazers

Trailblazers is back for another season! Trailblazers is a program designed to get kids outside and to learn about survival skills. They will learn about building fires, tracking animals, building shelters, and many more things!

Trailblazers will take place from October 7th until December 5th. Salem Schedule: Mondays and Wednesdays grades K-2; Tuesdays and Thursdays grades 3-4. Dorchester schedule: Mondays grades K-2, Wednesdays grades 3-4. Register now for this free program at TantramarNB.com/programs. Registration closes October 3rd at midnight!

Public Skates have began with sessions every:
Monday, Wednesday, Thursday, and Friday: 12:00 PM - 1:00 PM
Sunday: Time varies, so be sure to check the schedule at www.tantramarnb.com/programs once things begin!

Starting this ice season, all participants will be required to wear a CSA-approved helmet while on the ice. This includes everyone—from public skates to hockey practices and games.

Why? Your safety is our top priority. This rule has been implemented to ensure a safer experience for all, reducing the risk of injury.
Please Note: This rule will be strictly enforced. Anyone not wearing a helmet will be asked to leave the ice. Let's work together to keep our rinks safe and enjoyable for everyone!

Thank you for your understanding and cooperation.

Council Highlights – Committee of the Whole Meeting, September 23, 2024

Council Highlights provide a brief overview of the latest Committee of the Whole meeting. For complete details, please refer to the official minutes, which will be available after the upcoming Regular Council Meeting.

As no decisions are made during the Committee of the Whole, these discussions shape future Council actions and help guide community progress.

Council Package
Agenda

Public Presentations

- **Regional Service Commission Budget Presentation:** S. Thorne presented the 2024 Regional Service Commission budget, providing insight into future services and infrastructure investments across the region.
    - Click here for the full Budget Presentation from the Regional Service Commission
- **Public Hearing on Rezoning:** L. Bickford presented the rezoning proposal for the Beale and Inch Property on York Street, Sackville. The proposal seeks to redesignate the land from Urban Residential 1 to Industrial/Business Park to accommodate an expansion of the vehicle maintenance shop.
- **Municipal Roadshow Update:** Chief Administrative Officer, Jennifer Borne provided an update on the Municipal Roadshow sessions held across Tantramar. The sessions saw great engagement, helping shape the upcoming strategic plan.
    - Click here for a link to the Municipal Roadshow – What We Heard document.

Council Discussions and Directions

1. **Text Amendment to Zoning By-Law:** Council discussed a proposed text amendment to change height restrictions in the Sackville Downtown

Business District. This would allow for taller buildings to encourage development, with a proposed increase from 50 to 75 feet. This would only impact the Sackville Zoning By-Law.

2. **Rezoning of 106 Fairfield Road:** Freshwinds Eco-Village proposed the rezoning of this property to permit a co-operative housing project with 62 residential units. This project aligns with the need for more diverse housing options in Tantramar.
3. **Bulk Salt Purchase for Winter:** The 2024/2025 bulk salt purchase was discussed, with a recommendation to move forward with Nutrien Salt for an efficient winter operations strategy.
4. **Commercial Waste Containers at Municipal Sites:** Council reviewed a proposal for waste collection containers at various municipal sites, with a recommendation to award the contract to Miller Waste Systems.
5. **By-Law No. 2024-16 Business Improvement Area Levy:** The discussion centered around the renewal of the Business Improvement Area (BIA) Levy, ensuring funding to support local business development.
6. **Quarry Park Bridge Project:** The construction of a 30-foot bridge at Quarry Park was discussed, with Riley's Renos recommended as the contractor for the job. This bridge will enhance the park's accessibility and provide a scenic lookout over Bowser Brook. Active Living and Culture Director Matt Pryde has been doing an excellent job in acquiring funding and overseeing the success of this project. The upcoming construction of the Quarry Park Bridge marks a significant achievement in creating a naturalized park space that is accessible for all.
7. **Canada Community**-Building Fund Agreement: Council is set to sign the new agreement with the provincial government, ensuring continued funding for key infrastructure projects under the Canada Community-Building Fund. See the full agenda package from this meeting which includes more detailed reports on the proposed decisions before Council.

Stay Updated: Join us for the next Regular Council Meeting on Tuesday, October 8, 2024 at 7:00 PM in person or via live stream on our YouTube Channel to stay engaged with municipal progress and decisions.

Updates from Our RCMP Community Program Officer

Teens and social media : What parents should know!

Social media plays a major role in the daily lives of many teenagers. It helps them stay connected with friends and creates a sense of belonging within online communities. However, it's equally important to find balance and establish healthy boundaries in their online interactions to promote well-being and ensure safe, positive experiences.

Below are several key websites that can help parents guide their teens in using social media responsibly and positively. These resources also highlight the importance of privacy settings and how to protect personal information online.

Common Sense Media is a website for kids, parents and communities. While using the website you can click on **Family Resources** for tips, articles and advice on how to support kids when it comes to media, safety and technology.

Canadian Centre for Child Protection offers educational and prevention material to help keep kids safe online and in everyday life.

Protect Kids Online is a great place for parents to educate themselves on how to approach difficult situations and how to navigate safely online with kids.

Cybertip.ca is a valuable resource for reporting potentially illegal material, including the distribution of intimate images, and offers important information to help keep families safe online. The site also provides support and referral services, helping Canadians protect themselves and their loved ones while navigating the internet safely.

Motyer-Fancy Theatre

Motyer-Fancy Theatre presents: **NEVER SWIM ALONE** by **Daniel MacIvor**

Directed by Valmai Goggin

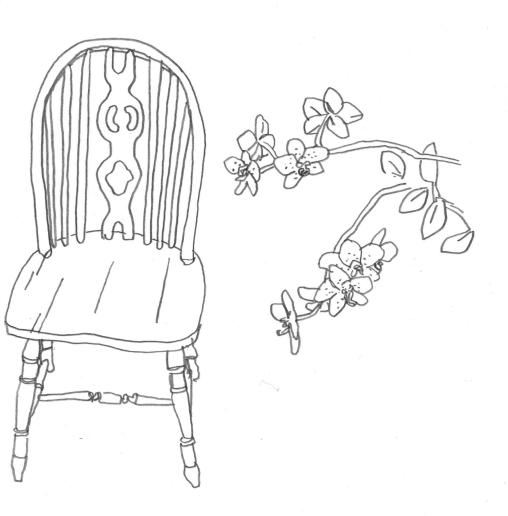

October 23rd - 26th, 2024 | 7:30pm
PWYC Preview Tuesday October 22 (limited tickets at the door this night, cash donation)
Running time: 50 minutes (one act)
Mount Allison University

Life is a sprint to the finish line. Just don't look back. A funny, satirical story, Never Swim Alone exposes Frank and Bill, two ruthlessly egotistical men locked in a cutthroat competition of one-upmanship for seemingly no reason. A hilarious and haunting play about toxic bromances, brutal rivalries, and the memories we can't outswim.

Buy tickets here!

Poem from our Poet Laureate: Laura Katherine Watson

Small Consolations for Renting From Slum Landlords in Rural New Brunswick

Moss gardens on the roof.
Flowering weeds in the eaves.
Ancient trees planted so close
that their roots incrementally
disinter the foundation
but their leaves cast
the perfect filtered light
in the kitchen.
Potted orchids,
accustomed to
rooting in rotted wood,
recognize this perfection
and bloom.

Day Surgery Program at Sackville Memorial Hospital Campaign

Campaign for **Sophisticated Surgery Gear** to boost Day Surgery Program at SMH

CAMPAIGN GOAL $225,000

When you or your loved ones need surgery, complicated or not, you want peace of mind knowing the surgical team at Horizon's Sackville Memorial Hospital (SMH) has the best tools for the job.

The SMH Foundation has launched the **Supporting Every Step Expanding Surgical Care** Campaign with an ambitious **$225,000** goal, to ensure our surgical team has advanced technology to offer optimal and timely care for surgical patients. This is in addition to Horizon Health Network's $2-million investment in the current Operating Room (OR).

For over 30 years, the SMH has been renowned for its exceptional Day Surgery Program, offering over 240 types of Orthopedic, Plastic, Urology, Vascular, Obstetrics/ Gynecology, ENT (Ear Nose Throat), and General surgeries. In fact, more than 2,000 surgical procedures were performed at our facility in a 12-month period; a significant increase over the last three years.

And, it's about to get better with your help.

Ramping up the program at SMH will help alleviate the backlog of less complex day surgeries, allowing quicker access to more complex ones at The Moncton Hospital—a win-win for the broader health care system.

The purchase of an array of modern surgical gear has many benefits, including:

- Reduction in surgical wait times;
- Increased access to acute care operating time at The Moncton Hospital for larger, more acute, surgical cases;
- Availability of different types of surgeries, i.e., hip arthroscopy;
- Ensured availability of necessary equipment onsite at SMH for surgical procedures, rather than shared with The Moncton Hospital.

SMH is working to reduce wait times for New Brunswickers in need of orthopedic and ENT surgeries. This equipment will allow for an increase in the number of patients who could receive surgical care in Sackville.

Supporting Every Step

Expanding Surgical Care

CAMPAIGN 2024

Funds will purchase Hip, Knee, Shoulder Arthroscopy (orthopedic) instruments, Warming Cabinet, Surgical Suction System, ENT devices, and iSimulate (a cutting-edge tool for staff which ensures they are well-prepared for a variety of medical scenarios).

Campaign Chair Carolle de Ste. Croix says your support enables us to equip our local hospital with advanced surgical equipment, transforming it into an important surgical access site. **"Together we're nurturing hope, facilitating recovery, and supporting every step of a patient's journey back to wellness."**

If you would like to donate, you can contact the Foundation at 364-4205, drop by the hospital, or donate securely on-line at **smhf.ca/donate**.

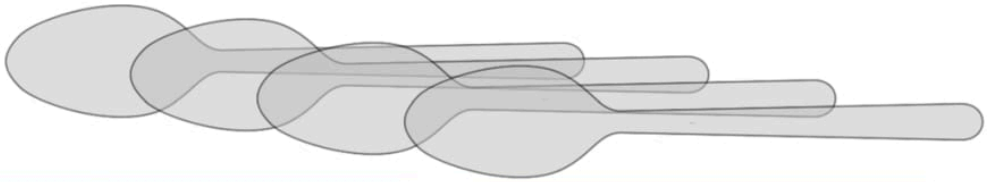

If the campaign goal is exceeded, any additional funds will be used on the Hospital's other priority needs.

smhf.ca All money raised is used locally to enhance patient care at the Sackville Memorial Hospital.

Salem Breakfast Program

SPOONS FOR SALEM

BREAKFAST PROGRAM

The **Salem Breakfast Program** operates every school day and offers a selection of healthy foods to **all Salem students** as they get to school and prepare for the school day.

In an effort to cut down on waste and lower our costs, we want to **switch from using plastic disposable spoons** to **reusable metal spoons**, so we're asking for **spoon donations** to build up our supply.

If you have **1, 2 or more metal spoons you'd like to donate**, please send them with your student to school – every classroom will have a collection bin. Or contact the Breakfast Program coordinator listed below to arrange pick up.

The Salem Breakfast Program is able to operate thanks to

- ✓ **food donations from the Food Depot Alimentaire**
- ✓ **financial donations through the Breakfast Club of Canada and local supporters,**
- ✓ **and time and energy donations from our dedicated group of volunteers.**

If you'd like to volunteer with this program, please contact the coordinator listed below. Volunteering in the school involves a 7:30-8:30 am time commitment one day a week, but there are ways to help outside these hours if you'd like to be a part of this program.

For more information, contact: Kathy Treash
kathy0321@yahoo.com
or through Messenger

1/1

The Salem School Breakfast Program is looking for volunteers! Parents, grandparents, community members...if you'd like to spend a little time one morning a week greeting the students of Salem Elementary School and helping to provide them with a healthy start to their day, we'd love to have you as a part of our volunteer team. We offer a variety of food choices to all the students of Salem

School on every school morning, to ensure no students are starting their learning day hungry. The commitment for volunteers is approximately 7:15-8:30am on your chosen weekday. If this sounds like something you would be interested in, please email Kathy Treash at kathy0321@yahoo.com
