You can help prevent impaired driving by joining MADD Canada's Project Red Ribbon campaign!

The Project Red Ribbon campaign with MADD (Mothers Against Drunk Driving) is launching in the upcoming month. It targets the Christmas and New Year holiday season because it's the busiest time of year on most social calendars and a period of high risk for impaired driving. Wearing the red ribbon symbolizes a person's commitment to always drive sober.

Heritage Moment from Tantramar Heritage Trust

Did you know...

The former **Vogue Theatre** was home to not one, not two, but three ghosts?

One female ghost preferred the box office area, a former male projectionist liked the balcony and the third ghost (another male) chose the area to the left of the screen.

Mount Allison University's Hart Hall is haunted by the ghost of Ethel Peake? Peakie, as she was known, was an opera singer who hailed from England. She headed up the voice department at the University's Music Conservatory from 1936 to 1954. At six feet tall weighing200 pounds, with white hair and black eyebrows, she must have been an imposing presence.

Communal Shoes

Maybe the billionaire
with the bowling alley on his property
has been cradling treasured memories
of his own ninth birthday party,
memories of orange pop
and empty pizza boxes,
of three butts to one seat,
feet loose in communal shoes,
of screaming, nine-year-old joy and
all-consuming, nine-year-old blues.

But the bowling alley in the basement
is quiet, clean, and vacant.

Day Surgery Program at Sackville Memorial Hospital Campaign

2

Campaign for **Sophisticated Surgery Gear** to boost Day Surgery Program at SMH

CAMPAIGN GOAL $225,000

When you or your loved ones need surgery, complicated or not, you want peace of mind knowing the surgical team at Horizon's Sackville Memorial Hospital (SMH) has the best tools for the job.

The SMH Foundation has launched the **Supporting Every Step Expanding Surgical Care** Campaign with an ambitious **$225,000** goal, to ensure our surgical team has advanced technology to offer optimal and timely care for surgical patients. This is in addition to Horizon Health Network's $2-million investment in the current Operating Room (OR).

For over 30 years, the SMH has been renowned for its exceptional Day Surgery Program, offering over 240 types of Orthopedic, Plastic, Urology, Vascular, Obstetrics/ Gynecology, ENT (Ear Nose Throat), and General surgeries. In fact, more than 2,000 surgical procedures were performed at our facility in a 12-month period; a significant increase over the last three years.

And, it's about to get better with your help.

Ramping up the program at SMH will help alleviate the backlog of less complex day surgeries, allowing quicker access to more complex ones at The Moncton Hospital—a win-win for the broader health care system.

The purchase of an array of modern surgical gear has many benefits, including:

- Reduction in surgical wait times;
- Increased access to acute care operating time at The Moncton Hospital for larger, more acute, surgical cases;
- Availability of different types of surgeries, i.e., hip arthroscopy;
- Ensured availability of necessary equipment onsite at SMH for surgical procedures, rather than shared with The Moncton Hospital.

SMH is working to reduce wait times for New Brunswickers in need of orthopedic and ENT surgeries. This equipment will allow for an increase in the number of patients who could receive surgical care in Sackville.

Supporting Every Step

Expanding Surgical Care

CAMPAIGN 2024

Funds will purchase Hip, Knee, Shoulder Arthroscopy (orthopedic) instruments, Warming Cabinet, Surgical Suction System, ENT devices, and iSimulate (a cutting-edge tool for staff which ensures they are well-prepared for a variety of medical scenarios).

Campaign Chair Carolle de Ste. Croix says your support enables us to equip our local hospital with advanced surgical equipment, transforming it into an important surgical access site. **"Together we're nurturing hope, facilitating recovery, and supporting every step of a patient's journey back to wellness."**

If you would like to donate, you can contact the Foundation at 364-4205, drop by the hospital, or donate securely on-line at **smhf.ca/donate**.

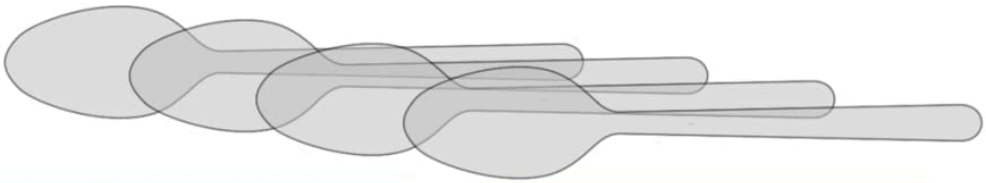

If the campaign goal is exceeded, any additional funds will be used on the Hospital's other priority needs.

smhf.ca All money raised is used locally to enhance patient care at the Sackville Memorial Hospital.

Salem Breakfast Program

SPOONS FOR SALEM

BREAKFAST PROGRAM

The **Salem Breakfast Program** operates every school day and offers a selection of healthy foods to **all Salem students** as they get to school and prepare for the school day.

In an effort to cut down on waste and lower our costs, we want to **switch from using plastic disposable spoons** to **reusable metal spoons**, so we're asking for **spoon donations** to build up our supply.

If you have **1, 2 or more metal spoons you'd like to donate**, please send them with your student to school – every classroom will have a collection bin. Or contact the Breakfast Program coordinator listed below to arrange pick up.

The Salem Breakfast Program is able to operate thanks to

- ✓ **food donations from the Food Depot Alimentaire**
- ✓ **financial donations through the Breakfast Club of Canada and local supporters,**
- ✓ **and time and energy donations from our dedicated group of volunteers.**

If you'd like to volunteer with this program, please contact the coordinator listed below. Volunteering in the school involves a 7:30-8:30 am time commitment one day a week, but there are ways to help outside these hours if you'd like to be a part of this program.

For more information, contact: Kathy Treash

The Salem School Breakfast Program is looking for volunteers! Parents, grandparents, community members...if you'd like to spend a little time one morning a week greeting the students of Salem Elementary School and helping to provide them with a healthy start to their day, we'd love to have you as a part of our volunteer team. We offer a variety of food choices to all the students of Salem

School on every school morning, to ensure no students are starting their learning day hungry. The commitment for volunteers is approximately 7:15-8:30am on your chosen weekday. If this sounds like something you would be interested in, please email Kathy Treash at kathy0321@yahoo.com
