Celebrating Black History Month with Councillor Greg Martin

As part of Black History Month, we had the privilege of sitting down with Councillor Greg Martin, a lifelong resident of Tantramar, to hear his personal story. Greg reflects on his experiences growing up in the community as a Black man, sharing insights into the Black settlement that once existed where he lives today—a piece of history many may not be aware of.
In this video, Greg speaks about the challenges he faced, the strength of his community, and the profound influence of his mother, who raised her family with resilience and pride. His story highlights the importance of preserving and sharing Black history in Tantramar.

We encourage everyone to take the time to listen, learn, and reflect. Learn more about Black History in Tantramar.

Recognizing Councillor Greg Martin

Councillor Greg Martin was awarded the King Charles III Coronation Medal on February 21, 2025, in Dieppe, NB.

This prestigious honor is awarded to individuals who have made outstanding contributions to their community, with only 35 recipients selected from the entire Beauséjour riding.

Congratulations, Councillor Martin, on this well-deserved recognition! Your dedication to Tantramar has made a lasting impact, and we are proud to celebrate this achievement with you.

Pink Shirt Day

Our Communications Officer and Community Police Officer Melanie Belliveau, along with members of the RCMP, visited schools across Tantramar for Pink Shirt Day!
They had the chance to speak with students about the importance of kindness and the dangers of bullying, reinforcing the message that everyone deserves respect—both in and outside the classroom.

A huge thank you to all the schools for welcoming us into their classrooms! We were also thrilled to give away around 100 Pink Shirt Day t-shirts, helping to spread the message even further.

DID YOU KNOW?

There was a Grindstone Museum set up by Herbert C. Read in the "Carriage House" of the Marshlands Inn. In the mid-1980s Mr. Read dismantled the display and donated its contents to the Town of Sackville. These items were then passed on to the Tantramar Heritage Trust in January 1999, along with various Read Stone Co. artifacts!

Drew Nursing Home
Tantramar Residences
Archibald Cottage

As we begin a new year we would like to provide an update from the Drew. 2024 was a productive year and there are many initiatives underway in 2025.

We have several renovations currently on the go. The Beausejour tub room renovation is making bathing a more "spa like" experience for residents. We anticipate this project will be completed in early March. The nurse call system is also being replaced, and the main dishwasher and dish room are undergoing a complete renovation. We have recently implemented a card access system to enhance safety in the home. Work is also continuing with Social Development on some other heating and ventilation upgrades.

We are happy to report that after many years of staffing shortages, we have had success with staff recruitment and are in the process of filling empty beds.

We appreciate our staff tremendously and will be holding the annual staff recognition event this Spring. This is a way for us to show appreciation for their hard work and dedication.

Nursing Home Without Walls (NHWW), a provincial program that helps make it possible for older adults to continue to live in their own homes, is now available in our community with an office here at the Drew. NHWW Coordinator Rachelle Gariepy started her position in November and has been working hard implementing program initiatives, including lunch and learn programs, friendly visits, paint nights, social gatherings, helping seniors to navigate the system and much more.

Once again, we would like to extend many thanks to the community for the donations received during Roses Independent Campaign in June. A total of $1,890 was raised, which is greatly appreciated. We also received a donation of $6,000 from the Sackville Hospital Auxiliary.

We look forward to continuing our work for the Tantramar community with the Drew Nursing Home and Tantramar Residences.

Thank you from all of us at the Drew!

Tantramar Businesses - Occupational Health and Safety Act

URGENT NOTICE: Accident Reporting Requirements Pursuant to the *Occupational Health and Safety Act and Workers' Compensation Act*

By: Dawson Harrison, Associate

We have noted a growing trend in New Brunswick Occupational Health and Safety law with respect to the strict enforcement of mandatory reporting timeframes set out in the *Occupational Health and Safety Act* for the reporting of accidents. A number of employers have been charged with offences pursuant to the *Occupational Health and Safety Act,* as employers are required to **immediately** notify WorkSafeNB where an employee suffers and injury resulting in:

- loss of consciousness;
- an amputation;
- a fracture other than a fracture to fingers or toes;
- a burn that requires medical attention;
- a loss of vision in one or both eyes;
- a deep laceration;
- admission to a hospital facility as an in-patient; or
- death
- an accidental explosion or an accidental exposure to a biological, chemical or physical agent occurs at a place of employment, whether or not a person is injured, or
- a catastrophic event or a catastrophic equipment failure occurs at a place of employment that results, or could have resulted, in an injury. [1]

Failure to follow these legislated timelines can result in a charge pursuant to the *Occupational Health and Safety Act*.

Separate from, and in addition to, the Employer's responsibilities under the *Occupational Health and Safety Act*, pursuant to the *Workers' Compensation Act,* employers are required to report accidents to WorkSafeNB within 72 hours of an employee suffering an injury or occupational disease that results in or is likely to result in medical aid costs and/or loss of earnings.[2]

Failure to follow these legislated timelines can result in an administrative penalty pursuant to the *Workers' Compensation Act*.

Poet Laureate - Laura Katherine Watson

Small Wreckage in Early Spring

The ghosts of last year's garden
stand like a bombed-out city,
brown husks, reedy skeletons,
hollowed-out bodies
of some lost golden age.
These streets look empty.
These buildings look abandoned.
But here, come closer. See it?—
the inhabitants are resilient—
this slender, cresting finger
of green
reaching.

Salem Breakfast Program

SPOONS FOR SALEM

BREAKFAST PROGRAM

The **Salem Breakfast Program** operates every school day and offers a selection of healthy foods to **all Salem students** as they get to school and prepare for the school day.

In an effort to cut down on waste and lower our costs, we want to **switch from using plastic disposable spoons** to **reusable metal spoons**, so we're asking for **spoon donations** to build up our supply.

If you have **1, 2 or more metal spoons you'd like to donate**, please send them with your student to school – every classroom will have a collection bin. Or contact the Breakfast Program coordinator listed below to arrange pick up.

The Salem Breakfast Program is able to operate thanks to

- ✓ **food donations from the Food Depot Alimentaire**
- ✓ **financial donations through the Breakfast Club of Canada**

and local supporters,

- ✓ **and time and energy donations from our dedicated group of volunteers.**

If you'd like to volunteer with this program, please contact the coordinator listed below. Volunteering in the school involves a 7:30-8:30 am time commitment one day a week, but there are ways to help outside these hours if you'd like to be a part of this program.

1/1

The Salem School Breakfast Program is looking for volunteers! Parents, grandparents, community members...if you'd like to spend a little time one morning a week greeting the students of Salem Elementary School and helping to provide them with a healthy start to their day, we'd love to have you as a part of our volunteer team. We offer a variety of food choices to all the students of Salem School on every school morning, to ensure no students are starting their learning day hungry. The commitment for volunteers is approximately 7:15-8:30am on your chosen weekday. If this sounds like something you would be interested in, please email Kathy Treash at kathy0321@yahoo.com
